

Important Disclosures

NorthStar Asset Management, Inc. is an investment adviser registered with the U. S. Securities and Exchange Commission (SEC). Registration of an investment adviser does not imply any specific level of skill or training and does not constitute an endorsement of the firm by the SEC. NorthStar only transacts business in states in which it is properly registered or is excluded or exempted from registration. A copy of NorthStar's current written disclosure brochure which discusses, among other things, NorthStar's business practices, services and fees, is available through the SEC's website at: www.adviserinfo.sec.gov. NorthStar does not provide tax or legal advice, and individuals should seek the advice of their own tax or legal advisors for specific information regarding their situations. Investments in securities involve risk, including the possible loss of principal. The information provided herein is for informational purposes only and is not a recommendation nor an offer to sell (or solicitation of an offer to buy) securities in the United States or in any other jurisdiction. Hyperlinks provided on this website, if any, are for your convenience and may forward you to third parties' websites, which generally are recognized by their top-level domain name. Any descriptions of, references to, or links to other products, publications or services does not constitute an endorsement, authorization, sponsorship by or affiliation with NorthStar.

This material may contain assumptions that are "forward-looking statements," which are based on certain assumptions of future events. Actual events are difficult to predict and may differ from those assumed. There can be no assurance that forward-looking statements will materialize or that actual results will not be materially different from those described here. Past performance is no guarantee of future results. All investment portfolios carry risk, including the risk of loss. No assurances can be given that NorthStar will attain its investment objective or that an investor will not lose invested capital.

This material is for informational purposes only and is not intended to serve as a substitute for personalized investment advice or as a recommendation of or solicitation of any particular security, strategy, or investment product. The forecasts, opinions, and estimates expressed in this report constitute our judgment as of the date of this letter and are subject to change without notice based on market, economic, and other conditions. The assumptions used in our forecasts concern future events over which we have no control and may turn out to be materially different from actual experience.

Any information that may be considered advice concerning a federal tax issue is not intended to be used, and cannot be used, for the purposes of (i) avoiding penalties imposed under the United States Internal Revenue Code or (ii) promoting, marketing, or recommending to another party any transaction or matter discussed herein. NorthStar

does not offer legal or tax advice, and nothing contained in these materials should be taken as legal or tax advice. .As such, this material is not intended and should not be construed as tax advice. Please consult with an Enrolled Agent, CPA, or attorney before implementing any of the strategies discussed herein.

Although NorthStar believes the data presented here to be reliable, we do not guarantee the accuracy of third-party data. Links to third party sites are provided for your convenience and do not constitute an endorsement. These sites may not have the same privacy, security or accessibility standards. Certain information herein has been provided by and/or is based on third-party sources and, although believed to be reliable, has not been independently verified, and NorthStar is not responsible for third-party errors. No representation is made with respect to the accuracy, completeness or timeliness of information or opinions herein and NorthStar assumes no obligation to update or revise such information or opinions.

Indices are presented herein for illustrative and comparative purposes only. Such indices may not be available for direct investment, may be unmanaged, assume reinvestment of income, do not reflect the impact of any trading commissions and costs, management fees, or performance fees, and have limitations when used for comparison or other purposes because they, among other things, may have different strategies, volatility, credit, or other material characteristics. In considering performance results discussed here, prospective clients should note that equity portions of individually managed accounts may differ from the results shown here because of client-specific restrictions, client circumstances, client legacy positions, different fee and expense structures, actual trading, tax considerations, and other reasons.

All investing involves risk, including the possible loss of principal. Private investments involve additional risk, including lack of liquidity. Private investments are not typically offered publicly and may only be available to certain investors who meet financial qualification criteria. Investors should read all offering documents carefully, paying careful attention to risks and fees.

Additional information regarding NorthStar, including fees, expenses, and risks of investment, is contained in NorthStar's investment advisory agreement, its Form ADV, Form CRS, and related disclosure documents and should be reviewed carefully. NorthStar's ADV 2A and Form CRS can be accessed via <https://adviserinfo.sec.gov/> .

NorthStar Asset Management was ranked 40 out of 100 advisory firms in CNBC's top-rated financial advisory firms of 2024. The rating was received on 2 Oct 2024 and there was not compensation provided in connection with obtaining or using the third-party rating. Please click [here](#) for additional information on the rating methodology.
